Hello my friend,

We are so grateful to have you here as our guest today. You passed up a lot of churches to come and worship with us, and we pray that your experience is fulfilling. Here at The Experience Christian Ministries, our goal is to never have our guests leave here the same as they came; Therefore, everything we will do today, will introduce you to the full *experience* of our Lord and Savior Jesus Christ. The word that God has given me to share with you today is good news. We pray that you open your mind, body and soul for it is not by chance that you are here today; but the

spirit of God led you here to receive a "right now" word.

We hope that you enjoy your experience. You are always welcome, so please make yourselves at home!
